Incident Report IR-0057 Sentient Ooze Union Drive — Version 1.0

1. Summary

The basement ooze became self-aware and attempted to unionize the cleaning robots. Severity was set to Sev 2 because the ooze had a surprisingly good list of demands.

2. Timeline

- 9:00 a.m. Ooze found holding a meeting with three cleaning robots
- 9:30 a.m. Ooze requested dental coverage and a window
- 11:00 a.m. HR agreed to a window

3. Root Cause

The ooze was exposed to the Intelligence-inator during a nearby test and was never placed in a sealed container.

4. Corrective Actions

- 4.1 Containment. All goo is now stored in sealed containers and counted weekly.
- 4.2 Ooze Relations. The ooze now has a small window and a seat on the Wellness Committee.

5. Sign-Off

Reviewed by the Incident Commander and filed with Incident Response. A joke was included in the cover email, per HR Policy.
