

Doofenshmirtz Evil Incorporated

Incident Response Policy — Version 1.0

1. Purpose

This policy describes how the company responds to incidents, which at this company happen roughly every afternoon around 3 p.m.

2. Scope

This policy covers security breaches, inator malfunctions, nemesis intrusions, and any explosion larger than a popcorn bag.

3. Severity Levels

Every incident is assigned a severity level.

Level	Example	Response Time
Sev 1	Inator aimed at the Tri-State Area by mistake	Immediate
Sev 2	Nemesis intrusion in progress	15 minutes
Sev 3	Minor explosion in a lab	1 hour
Sev 4	Someone took the last donut	Next business day

When in doubt, an incident is classified one level more severe.

4. Response Steps

4.1 Declare. Any employee may declare an incident by pressing the red alarm button and shouting the severity level.

4.2 Command. The Incident Commander is the most senior person present who is not currently trapped.

5. Post-Incident Report

An incident report must be written within 3 business days for every Sev 1 or Sev 2 incident.

6. Acknowledgment

Surviving any incident constitutes acknowledgment of this policy.
